**Contribution:**

- (4) Accept any type of legal action arising from the inaccuracies of previous statements.
- (5) Have had access to all the data presented in the study (for original articles) and take responsibility for their validity.
- (6) Have read the latest version of the article identified hereinabove and agree with its content. Be responsible for the presented results of scientific research (where applicable) and all the opinions expressed in the article.
- (7) Authorise the submission to and publication by the Portuguese Journal of Pediatrics of the article identified hereinabove.

**II. Copyright assignment - CC BY-NC**

---

We ask you to sign this publishing agreement to establish the originality and provenance of your article and to give us the non-exclusive right to publish the Version of Record of your article; you (the author) retain copyright.

CC BY-NC articles allow the author, and any non-commercial bodies, to reuse the material in any way they choose, without acquiring permission from the PJP. Any reuse must give attribution to the author, usually by including a reference. Commercial users will require permission from PJP for any reuse. Authors have copyright but license exclusive rights in their article to PJP (this includes the right for the publisher to make and authorize commercial use)
